ANTI-DOPING CONTROL (CCES)

Each participant in the Elite National Championship is subject to a doping control by the Canadian Centre for Ethics in Sport (CCES) on a random basis in accordance with the Canadian Anti-Doping Program (CADP). To avoid an inadvertent positive test and the consequences of an anti-doping rule violation, athletes are encouraged to take the following steps:

- Be familiar with www.cces.ca/athletezone;
- Check with DRO Global (www.globaldro.com) to determine if have any prescription or use over-the-counter medications or treatments that are banned by the WADA Prohibited List.
- Review medical exception requirements (www.cces.ca/medical) if you require the use of a banned medication for a legitimate medical reason.
- Do not use supplements, or take precautions prior to doing so. Supplement products cannot be verified by the CCES or in the Global DRO. A lack of industry and government regulation makes it impossible to confirm their ingredients. Read more at: www.cces.ca/supplements.
- Review the steps of the doping control sample collection procedures: <https://www.cces.ca/sample-collection-procedures>;
- For additional resources and general information, please contact the CCES:
Email: info@cces.ca Call toll-free: 1-800-672-7775
- Please note that the USE OF CANNABIS will cause a positive anti-doping test result.

COMPETITION FORMAT

– **U18 & SENIORS:**

- The modified double elimination format will be used which guarantees a minimum of 2 bouts to each athlete
- In weight categories with five (5) or fewer competitors, the round-robin format will be used.
- Tournament regulations as per Judo Canada's *Sanction Policy and Tournament Standards – 2022-2023*.

All issues/cases(s) that are unexpected or deemed exceptional circumstances will be solved by decisions taken by the Judo Canada Sport Committee in cooperation with the Organizing Committee.

MEDAL CEREMONY

Medal winners must attend the medal ceremony in their WHITE judogi.

No promotion articles are authorized to be used/displayed (head covering, flags, T-shirt, socks or similar items).

DAMAGES

No use of bleeding dyes on the body or hair of competitors is allowed. In cases such use is undetected and damage results to the equipment of the opponent or tatami, the competitor will be disqualified and the Provincial or Territorial Association of which that individual is a member will be charged for the damage.

Judo Canada, Judo Alberta and the local organizing committee (or any of its officials or members) will not be liable or responsible for any personal injury nor for any loss or damage to any property resulting from participation and travelling in connection with these championships.
